

Privacy Policy

This Privacy Policy applies to the EZVend iOS application (hereinafter referred to as the "App") and all ways in which we collect and process personal information. We value your privacy and are committed to abiding by this Privacy Agreement.

1. Privacy Policy Overview

Our application respects the privacy rights of users. This privacy agreement is intended to explain how we collect, use, store and protect your personal information.

2. Types of personal information collected

We may collect the following types of personal information:

(1) Personal information collected when registering an account: When you register an account on our website or application, we may collect your name, email address, mobile phone number and other information.

(2) Behavior information when using the website or application: When you use the company's website or application, we may collect your browsing history, click behavior, search history and other information.

(3) Camera-based additional services: You understand and agree that when you enable camera permissions, we will be able to use the camera to scan codes, shoot and other functions. Even if you have agreed to turn on the camera permission, we will only obtain information when you actively scan codes, take photos, etc. and use the camera.

(4) Information collected through other legal channels: We may collect your personal information through other legal channels, such as through partners, government.

3. Purpose of collecting information

The main purposes for which we collect personal information include:

(1) Provide and improve our services;

(2) Process your orders and transactions;

(3) Provide you with personalized content and recommendations;

(4) Conduct market research and analysis;

(5) Protect our legitimate rights and interests.

4. Information security and protection

We will take reasonable security measures to protect your personal information, including but not limited to encrypted storage, access control, security auditing, etc. We will not disclose your personal information to unauthorized third parties unless required by law or to protect our legitimate rights and interests.

5. User rights and choices

You have the right to access, correct, delete and object to our processing of your personal information. If you would like to exercise these rights, please email: [support@grabotech.com].

We will respond to your request as soon as possible.

6. Third parties and shared information

We will not sell or rent your personal information to third parties unless we obtain your explicit consent or are required by law. We may share your information with our partners, agents or contractors so that they can provide services to us. However, we will ensure that these third parties adhere to the same privacy standards as us.

7. Update and change privacy policy

We may update or change this Privacy Policy to adapt to new laws and regulations or changes in our business. When we update or change this Privacy Policy, we will notify you on the main interface of the application and contact you if necessary. Please check this Privacy Policy regularly for any changes. If you do not agree to any changes, you have the right to stop using our services.

8. Dispute resolution and legal terms

Any disputes related to this Privacy Agreement shall first be resolved through friendly negotiation. If resolution cannot be achieved, either party may submit the dispute to a court of competent jurisdiction for resolution. In addition, this Privacy Agreement is governed by the following legal provisions:

- (1) Relevant laws and regulations of the People's Republic of China:
- (2) Any applicable international treaties or conventions:
- (3) Any applicable local regulations.
